

COPA TOREROS

Internacional Primavera 2019 en Japón

Welcome to COPA TOREROS !!

The tournament was first held in 2010. We established the slogan "Football connects the world" from the second tournament held in 2011. This slogan was created after experiencing the devastating earthquake we encountered in East Japan. The importance of bonding people is incorporated in the slogan. Our aim is to incorporate the concept of FOOTBALL +1. The 'BOND' is an important aspect of the 'PLUS ONE'. If the tournament is to continue creating its own history, the 'BOND' will become inevitable.

We sincerely hope that bonding throughout the tournament will prove to be a step forward from Sugunami to the World, from Tokyo to the World and from Japan to the World. I also look forward to a tournament whereby all participants become one big football family, play your best and take home wonderful memories.
